Little Muddy Boots Party

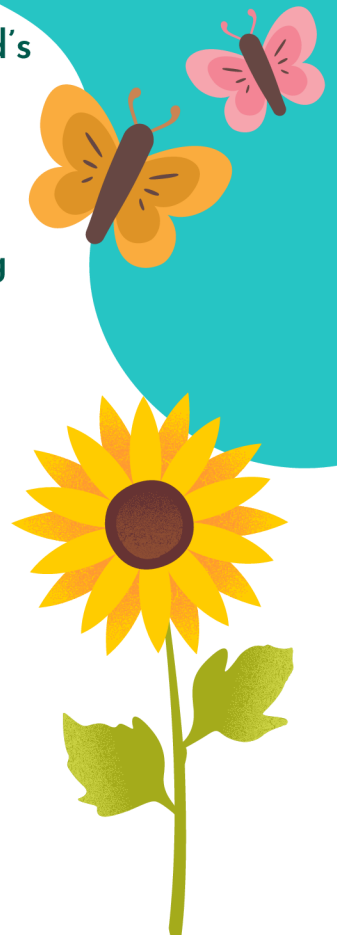

Little Muddy Boots parties are a unique way to engage 2-5 year olds, whether it be the quiet bug hunter or the energetic den builder. Whatever the event, we work hard to ensure your child and their friends have a wonderful time playing, exploring and learning outdoors.

Little Muddy Boots Party Sites

Every party includes full use of the LMB garden,

We run our sessions in all weathers, making sure we adapt and continue play.

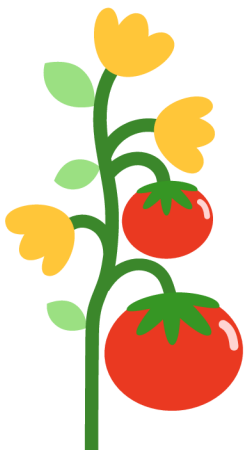

We simply ask that all party guests are dressed appropriately for an outdoor party. For a guide on what to wear, have a look at our blog post.

Testimonials

Little Muddy Boots ran a Hungry Caterpillar themed party for my daughter's 5th birthday. It was fantastic! The activities were relevant to the theme and really engaging and the LMB garden was magical, which meant that all the children had great time. As a parent it was perfect to simply bring the food and LMB did everything else which meant that we could join in the fun and enjoy the party. It was great to do something different and get all the kids outside in the fresh air, we would definitely book another party with LMB.

Thank you ever so much for a wonderful Little Muddy Boots party on Saturday! Our little boy had a great time, and I've had so many messages from other parents who thought it was a really fantastic idea and really wonderful for the kids.

It was more than we could have ever asked for, and everything he's talked about for months. Perfect memories to last a lifetime.

10 out of 10!! Thank you for all your hard work.
